

## **PRAGSales workshop on computational pragmatics and dialogue**

July 9, 2015, 10am - 4pm  
ZAS, Schützenstraße 18, R. 403

We are hosting a mini-workshop on Thursday, July 9 starting at 10am. This is an opportunity for ourselves and other Berlin/Brandenburg area computational linguists to present and share recent research related to computational pragmatics.

Tentative schedule:

10.00 - Opening remarks

10.15 - Sebastian Reuße on concessive relations in dialogue

11.00 - Coffee break

11.15 - Tina Klüwer on error handling strategies in dialogue systems

12.00 - Lunch

13.30 - Jon Stevens on generating indirect answers to yes/no questions

14.15 - Alexander Koller on referring expressions in virtual environments

15.00 - Coffee break

15.15 - Manfred Stede on argumentation mining

16.00 - Closing remarks
